we all can
stop racism's
just because of
our skin tones
it's not just so
helpful if a Red felt
to help

+ Emma

or some people
have a
different skin so
what what
matters is
you make
funny that person

So you see even if you say 1 word about
Racism it goes a long way to hurt some one

Peace

Racism should
not excite you
could help it if you
where born with a different
skin tone it's just
going to make you
it

that make peace
so there's no more
Racism in the
world so we can
make it a better
place
