

**English** Articles 28 & 29

Biographies:

We will be exploring and researching different Ancient Greek Olympians and their lives. We will write a biography about a chosen athlete.

Poetry:

The children will be writing their own poem inspired by the events of the Ancient Olympic games. They will choose their structure and and/or rhyming pattern.

**Music** Article 31

**Battle of the Bands!**

Answering the social question: *How Does Music Connect Us with the Environment?*

**DT** Articles 28 & 29

**Gears and Pulleys**

We will design and make moving toys on a chosen theme from Ancient Greece.

**PE** Articles 28 & 29

**Swimming**

We will be developing our technique across all four strokes and improving aquatic skills. We will learn lifesaving skills and practise swimming in clothes as part of 'Drowning Prevention Week'.

**Maths** Articles 28 & 29

Decimals

Using and converting decimal measurements.

Measurement

Understanding, measuring and estimating capacity and volume.

Geometry

Position/direction – we will translate shapes on a grid on paper and outdoors using co-ordinates. Constructing 2D shapes and measuring angles. Properties of 3D shapes.

**PSHE** Articles 28 & 29

Exploring our feelings about growing older and how we can prepare for change.

**History** Articles 28 & 29

We will continue to learn about Ancient Greece using different historical sources such as artefacts and written records. We will learn about significant figures, such as Alexander the Great, and about the development of the Olympic games.

**Americas / Antarctica  
Y5 Classes**

Summer Term 2 - 2026

Mr Wall & Miss Revill

**Collective Worship** Article 14

KS2 Collective worship is led by a different class each week on Tuesdays. Open the Book is led by the clergy team on Wednesdays. Whole School Collective Worship will be on a Friday.

**Values** Article 14

Our value this term is **Friendship**.

**RE ~ Christianity** Article 31

We will be answering the key question: What is the best way for a Christian to show commitment to God?

**Computing**

Micro:Bits

Children will be using the MicroBits using coding and sequences. They will explore physical computing using inputs, outputs, and algorithms.

**Science** Articles 28 & 29

Animals including Humans.

How do we grow from conception to old age?

We will learn about the changes to the body as humans get older, as well as comparing the life expectancy of different animals.

**French** Articles 28 & 29

This term we learn about the days of the week, months of the year, dates and birthdays.

**How you can help:**

Please continue to encourage your children to complete set spelling and maths homework each week, either in their homework folders or online on EdShed.

Daily reading: either listening to or reading with your child to build their fluency and enjoyment of reading.
