Mrs Perryman, Mrs Bloxham,
Mrs Sergeant and Mrs Garlick

Computing

In this unit, we will be becoming photographers and learning about angles and preparing the camera. We will also be editing our photos in a range of ways.

Science

Animals including humans
We will be learning about life cycles in animals and focusing particularly on the needs of babies. We will also be building on last year's work on healthy eating and designing healthy lunches.

RE

We will be learning to retell Bible stories that show kindness and to explore how Christians behave towards other people.

Music

We will be exploring South African music through the song 'Hands, Feet, Heart'.

Art

Kandinsky – shapes in art
We will be creating pieces of art inspired by Kandinsky, using the idea of concentric shapes.

Maths

Number: Place value
We will be learning to recognise the place value of the digits that make up numbers. We will develop our recognition of numbers up to 100 and find different ways to represent and compare them.

Measurement: Length and Mass
We will choose and use the appropriate the correct equipment and unit of measure to estimate and measure length and mass.

Collective Worship

Whole school Collective Worship will be on a Friday and KS1 Collective Worship on Tuesday, they will focus on our value.

Values

Our value this term is courage.

PSHCE

We will be learning about our rights and how to respect them.

French

This term we will be learning farm animals and pets in French.

How you can help

Please continue to encourage your children to complete all set homework.

This year we also need children to become fluent in their 2s, 3s, 5s and 10s times tables.

Regular reading – either listening to or reading with your child each night will continue to build their fluency and enjoyment for reading.
