PE

We will be continuing with
swimming lessons this term. We
will build on our water
confidence and swimming
strokes.

Topic

Geography - Contrasting localities
This term we will be learning about
some of the key physical and human
features in America, tasting American
food and finding out what it is like to live
there. We will compare an American
school village to Chinnor, finding key
similarities and differences.

Computing

We will be learning about the
importance of internet safety.
Additionally, we will be learning
how to use Word and improve
our typing skills.

USA

Science Plants

In science we will be learning about
plants. Focusing on the different parts
of a plant and having a go at growing
our own the rose, the national flower
of America.

RE

We will be learning Bible
stories that show kindness,
and explore how they influence
Christians to behave towards
other people.

Music

We will be exploring South African
music through the song 'Hands,
Feet, Heart'.

Art

We will be looking at how
different artists use colour within
their artwork.
We will be learning about mixing
colours and also warm and cold
colours within art.

Maths

Number: Place value
We will be learning to recognise the
place value of the digits that make up
numbers. We will develop our
recognition and sequencing of numbers
up to 100 and find different ways to
represent and compare them.

Number: Addition and subtraction
We will be learning to recall addition and
subtraction facts to 20 and beyond with
concrete and pictorial representations.
We will use our reasoning and problem-
solving skills to answer lots of number
problems.

Collective Worship

Whole school Collective
Worship will be on a Friday
and KS1 Collective Worship on
Tuesday, they will focus on our
value.

Values

Our value this term is
generosity.

PSHCE

This term we will be learning
about our feelings, emotions
and relationships.

French

This term we will be learning farm
animals and pets in French.

How you can help

Please continue to encourage your
children to complete all set homework.

This year we also need children to
become fluent in their 2s, 3s, 5s and
10s times tables.

Regular reading – either listening to or
reading with your child each night will
continue to build their fluency and
enjoyment for reading.
