

Year 1 French

Listen to the podcast to remind yourselves how to ask “how are you?” in French.

Practise how to answer -there are some different answers to the ones we learnt in class.

Can you pull some funny faces to go with how you’re feeling?

Maybe you could ask your family how they are in French?

Year 2 French

This term we are learning the alphabet in French. Watch these youtube clips and see if you can spot 2 letters which are opposite in French to English. Can you work out which letters spell your name?

You can email me on purple mash with your answers.

The first lady will go through each letter nice and slowly.

Year 3 Spanish

Our topic this term is to continue to learn our colours.

If you want to recap our first 6 colours, watch the following youtube clip.

See if you can, sing along with this song about numbers and colours on Youtube. Beware -it gets very fast!! We will all sing it together when we get back to school. It will help you remember the words for the colours. Can you spot the different word for purple?

You can email me on purple mash with your answer.

Year 4 Spanish

This week we are learning the days of the week in Spanish.

Watch this video to help you learn them. Write them out on a piece of paper. What did you notice about the words compared with English days of the week? You can email me on purple mash with your answers.

Year 5 Spanish

This term we are learning pets and farm animals in Spanish. I have attached a youtube clip of a lesson which will teach you some pet words but also how to say what pets you have and don't have. You may find it easier to watch it in small amounts. Some sections are quite tricky but just do your best! You can email me on purple mash with questions and maybe some Spanish sentences about your pets!
