

	English	Maths	Geography	Science: Ourselves	Art / DT	RE / PSHE
Mild 	Write your full name, remembering capital letters and finger spaces between each name. Can you write how old you are and where you live? Make sure you form each of the letters correctly and sit them on the line to keep it neat.	Can you count how many colours are on the Peruvian flag? How many are on the Union Jack? Which has the most colours? Practice writing your numbers to 10.	Draw a map of your bedroom at home, or even your whole house. Can you add some clear labels so we can see what everything is? 	List as many body parts as you can think of!	Make some crayon or pencil rubbings - on bark, carpet, concrete. Use as many colours and mediums as you like. Which is your favourite texture?	Ourselves: Draw a self-portrait and label it with all the things that you like about yourself. What makes you special? What kind of personality do you have - are you kind, shy, quiet, patient, grumpy?
Hot 	Draw a picture of your family and label it. Remember capitals for names. Can you describe any of the people? Maybe they have brown hair or blue eyes?	Gather some objects in your home. How can you sort them - by colour, size, shape, type? Which group has more and which has less?	Compare Chinnor to Peru. Do we have any of the same animals? What about traditional clothes? Do we eat the same foods? What is the weather like? Draw pictures or make a fact file.	Go on a sensory walk. What can you see, hear, smell, touch, or taste? Write a list or draw pictures.	Can you help to cook a traditional Peruvian meal or dish? Or can you find some food from Peru and make it into something? We would love to see photos.	Growing: Draw a picture of something that you find tricky, like riding a bike or doing a cartwheel. How will you achieve your goal? What else would you like to be able to do when you're older?
Spicy 	Write a diary entry, maybe from your first week of school, or of an exciting weekend. Can you use the words 'and', 'because' or 'so' to make your sentences longer and more interesting? Remember your phonics!	With an adult create a snakes and ladders game up to 20 and have a go at playing.	List the 7 continents in order from biggest to smallest. Can you find them on a map? Can you find a fact about each one, for example which has the most animals, or which is the hottest?	Make a model of a body out of clay or playdough. Can you name any internal body parts? What do they do? If you're not sure, can you find out?	Create a map of Peru or South America using any materials you would like - paint, crayon, collage, nature, or even a mix of them all!	Creation: Retell the Creation story. Could you make a comic strip with pictures and labels, or could you write a story about it? Which is your favourite part of the story?

### Year 1 Homework Challenges - Term 1 - Peru

How many of the activities can you complete? Challenge yourself! Can you complete at least one spicy activity? We will celebrate your wonderful work at the end of term! Please tick off and date when you have completed them. Feel free to include anything that is not on the grid - have you drawn a beautiful picture, or did you see something amazing that you want to write about?

**Reading:** Please read at home daily and bring your reading books/diary in with you every day. Books will not be changed unless it is written in the diary that a book has been finished. Sometimes we ask you to re-read the same book to build fluency and confidence.

If you have any questions please speak to your class teacher. Thank you, from the Year One Team
