

## Literacy

"If I didn't know how to read and write I wouldn't be able to do my homework. I've written loads of letters to my family and David Attenborough."

## Science

"It's made me want to do investigations at home and find out why things happen. I did one with leaving eggs in water, and we'll see how far I can drop one before it breaks!"

## History

"I loved learning about Ernest Shackleton and I want to find out more at home. I know where things go on our timeline"

## Music

"I make up songs and dances at home and I love singing for my family. Now I've started learning the recorder."

## PE

"I do dancing and singing at home. School helped my with dancing."

## RE

"I am a really good friend and make sure I look after people now"

## Year 1

### The Impact of Our

### Curriculum

St Andrew's Church of England Primary School

## Computing

"Computing has been helping me to learn new games like Minecraft, I'd never played it before and now I can build houses and cities."

## DI

"I learnt how to make sandwiches and I do that at home now."

## Maths

"It really helps me add up and take away and I sometimes get it right. I count my toys to check they're all there! I looked at what shapes in my home were 2D or 3D"

## MFL (French)

"I've learned the names of lots of different fruit in French. Sometimes I speak to mummy and daddy in French and they have to guess what I'm saying"

## Geography

"It's helped me learn different things about the oceans. I've learned how to protect the oceans"

## Art

"It's helped me a lot. I never give up! I've learned about making different colours and using different things like paint and pencils."
