

Literacy

"I make cards for my mum and dad at home. I use my phonics to help me so that they can read it."

PE

"I like cycling and running with my dad. I can balance better because I walk on a bench in PE"

Maths

"I can now count upwards from 1-100. When I went to watch a football game I could keep count of the score"

Science

"When I walk home, I talk about the weather with my sister. She now knows how the weather is different in summer and winter"

RE

"I go to church because I like seeing the open the book team"

MFL (French)

"I know my numbers in French now. I said there was three people in my family when I went to Disneyland"

Year 1

The Impact of Our Curriculum

At St. Andrew's CE Primary School, we aim to bring children to a place where they can realise their full potential. Our Christian values are the foundation of all

History

"I told all of my family about the Gunpowder Plot. On the 5th November we went especially to a firework show"

Computing

"I go on a maths app at home because I liked it at school. I now know my number bonds to ten really quickly"

Geography

"I have been learning about Peru in South America. One day I would like to go on holiday there so I can learn more"

Music

"I have been learning lots of dancing skills to help me move. I have asked my Mum to take dance lessons"

DI

"I learnt how to cut fruit when I tasted it. At home I cut a carrot for dinner"

Art

"I have been painting with lots of different colours. I now know how to mix colours so I can create a rainbow"
