

Literacy

"I used my writing skills to write a letter to send to my brother who went to Kingswood. I had to make sure I did good spelling so he could read it"

PE

"I created an obstacle course for my family like the one we did in PE"

Maths

"I get £5 to spend in the shop and I have to work out what I can buy. I have to add up the numbers"

Science

"After learning about plants in school I planted my own seed. I made sure to water it because then I know it will grow best"

RE

"I joined the choir at my Church"

MFL (French)

"When I went on holiday to France I stayed in a cabin next to a park. When someone gave me the swing I said merci"

Year 2

The Impact of Our

Curriculum

St Andrew's Church of England Primary School

History

"For my birthday I got a telescope so that I can look at the stars, moon and planets like Neil Armstrong"

Computing

"I enjoyed learning to type in school so I carried on at home so I could type my 500 word story entry"

Geography

"I now know how to read a map so when I went to the zoo I told my family where to go"

Music

"I could name some instruments in a piece of classical music that my Mummy played"

DT

"I learnt to cook and follow a recipe so I could make Indian food"

Art

"I knew how to mix colours of paint like primary and secondary. That meant I could make grey to paint my castle"
