

Year 2- Term 4 - Rainforests. Homework, challenges and home learning

Weekly Homework: These tasks are expected to be completed weekly and are not optional.

Spelling: Please see the spelling sheet provided each week. This will be given out on a Friday and is due in the following Thursday.

Reading: Please read at home daily and bring your reading book in with you every day.

Homework: Please complete the task stuck into your child's homework book. This will be given out on a Friday and is due in the following Wednesday at the latest.

You may choose any of the following activities below in addition to your weekly homework task if you would like to. Challenge yourself! Can you complete at least one spicy activity? We will celebrate your wonderful work at the end of term!

	English	Maths	Topic	Science	Art/DT
Mild 	How many words can you make using the letters in the word RAINFOREST? (eg, rain, rest, nest, not).	How many animals live in the Rainforest? How many calculations can you make with the digits? 	Find out where the biggest rainforest in the world is and list 5 facts.	Rainforest habitats are full of amazing living things – list as many of them as you can.	Paint a picture of an animal that lives in the rainforest. RRSA Article 31
Hot 	 Create a quiz about The Amazon Rainforest (make sure you include the answers!). RRSA Article 13	How far away is The Amazon Rainforest from England?	Find out about the features and layers of a rainforest. Draw a picture and add labels. RRSA Article 28	What animals can you find that live in the Amazon rainforest? Pick your favourite and write why it is suited to living in the rainforest.	Can you make a loaf of bread by following a recipe? This links to our learning on The Great Fire of London. Global Goal 2
Spicy 	Imagine you are on holiday in the rainforest. Write a postcard home describing: What can you see? What can you hear? What can you smell? How do you feel?	Research the heights of different trees in the rainforest. Can you show your answers on a bar chart?	Write a fact-file about an animal that lives in the rainforest including information on which layer they can be found in.	Find your own science experiment, complete it and write up your results. What did you find out?	 Can you create a model inspired by the rainforest using recycled materials? Global Goal 12

If you have any questions please speak to your class teacher.
