

Year 2- Term 5 - Marvellous Medicine. Homework, challenges and home learning

Weekly Homework: These tasks are expected to be completed weekly and are not optional.

Spelling: Please see the spelling sheet provided each week. This will be given out on a Friday and is due in the following Thursday.

Reading: Please read at home daily and bring your reading book in with you every day.

Homework: Please complete the task stuck into your child's homework book. This will be given out on a Friday and is due in the following Thursday at the latest.

You may choose any of the following activities below in addition to your weekly homework task if you would like to. Challenge yourself! Can you complete at least one spicy activity? We will celebrate your wonderful work at the end of term!

	English	Maths	Topic	Science	Art/DT
Mild 	How many adjectives can you think of that describe a Victorian hospital? 	How far away is the Crimea from London? 	Find out about the features of a Victorian hospital. Draw a picture and add labels. RRSA Article 28	Draw pictures to show what germs do to our food over time.	Create a portrait of Florence Nightingale. RRSA Article 31
Hot 	Write a list of questions you would like to ask Florence Nightingale. Have a go at answering these questions! RRSA Article 13	Draw a timeline of the key events that happened in the story George's Marvellous Medicine. Can you put them in order?	Hospitals during Victorian times were very unclean. Explain how they have changed. RRSA Article 27	Explain why it is important that we wash our hands before touching food. 	Can you make a loaf of bread by following a recipe and take a picture? Global Goal 2
Spicy 	Imagine you are a soldier in a Victorian hospital. Write a letter home to your family telling them what it is like.	How many hospitals are there in Oxfordshire? RRSA Article 13	Write a fact-file about an individual who influenced nursing (you could look at Florence Nightingale, Mary Seacole, Edith Cavell or someone of your choice!)	Create a 'germ character' of your own and describe the habitat it lives in. What does your germ need to grow? 	Can you create your own model of a lamp using recycled materials? Global Goal 12

If you have any questions, please speak to your class teacher.
