

Weekly Homework: These tasks are expected to be completed weekly and are not optional.

Spelling: Please see the spelling sheet provided each week. This will be given out on a Friday and is due in the following Friday.

Reading: Please read at home daily and bring your reading book in with you every day.

Times Tables: Please practice your times table each night until you can answer questions quickly.

You may choose any of the following activities below in addition to your weekly homework tasks if you would like to. Challenge yourself! Can you complete at least one spicy activity? We will celebrate your wonderful work at the end of term!

	English	Maths	Topic	Science: Humans and other animals	DT
Mild 	Write a description of what is in inside an Ancient Egyptian tomb, imagining you are the first person to discover it. Can you describe some of the different objects you see? You can find some pictures of objects in a tomb here: Inside an Egyptian tomb	Measure how long your fingers are in cm. Compare the length of your fingers with your parents.	Create a timeline for Ancient Egypt, adding dates for these events: first pyramid built, the building of the Great Sphinx, hieroglyphs used to record trade, first settlers arrive in the Nile Valley, and other dates you think are important.	Draw a picture of your favourite meal, label the foods and see if you can find out which food groups are in your picture, for example are there carbohydrates? Information about food groups can be found here: Food groups	Look at some different soup packaging. Which one do you think is the healthiest and why? RRSA Article 24
Hot 	Find out how a mummy is made and write instructions on how to turn a corpse into a mummy. Try to include pictures and numbered steps in your instructions.
