

Year 3- Term 6-Chinnor Homework, challenges and home learning

Weekly Homework: These tasks are expected to be completed weekly and are not optional.

Spelling: Please see the spelling sheet provided each week. This will be given out on a Friday and is due in the following Friday.

Reading: Please read at home daily and bring your reading book in with you every day.

Times Tables: Please practice your times table each night until you can answer questions quickly.

You may choose any of the following activities below in addition to your weekly homework tasks if you would like to. Challenge yourself! Can you complete at least one spicy activity? We will celebrate your wonderful work at the end of term!

	English	Maths	Topic	Science: plants	Art
Mild 	Write a letter to your parents on how they can make your life even better! A great example of a persuasive letter can be found in this video: Persuasive letter example	Time how many different things you can do in one minute: for example, how many star jumps can you do? How many times can you write your name?	Make a map of your street. You could include houses, lamp posts, driveways, paths and garages. Try to use symbols, include a key and the points of the compass. RRSA Article 9	Grow three pots of cress in different places. Where is the best place for the cress to grow? You could choose places with different temperatures or places with different amounts of sunlight.	Find a plant and make an observational drawing. Start by drawing the rough shape and then add details like shading, patterns and colours. RRSA Article 31 This video will help: Drawing flowers
Hot 	Write a letter to Mrs Mashru on how St Andrew's Primary School can be improved. Include a general introduction and make each paragraph about a different aspect of school that can be improved. Try to make the letter more formal. Look here for ideas: Difference between formal and informal letters	Look at travel journeys from Chinnor, using this website: Route Planner Find five places you would love to visit this summer and record how long the car journeys would take.	With your parent's help and permission, see if you can find an elderly person who has known Chinnor all their lives and interview them. What changes have happened in the village? Why have these changes occurred? How was life in Chinnor different when they were a child? What was their school like?	Create an experiment where you plant radishes and test the effects of different fertilizers and soils on growth.	Make a print of a flower using string and cardboard. Use this video for inspiration: Line drawing prints
Spicy 	Write a letter to your local member of Parliament about something that you feel strongly about in the local area. Try to use formal language. Find out about to set out a formal letter here: Formal letters	Plan a day out in London, perhaps to visit The Natural History Museum. Find out the time you'd need to get up, leave your house, catch a train, arrive in London, how long the underground journey might take, etc.	Make a map of central Chinnor, with a key, compass and symbols to show different features.	Design and make a seed from a newly discovered plant using junk materials.	Make a 3d, free-standing model of a plant out of objects that you have at home.

If you have any questions, please speak to your class teacher.
