Global Goals	Goal 10 Reduce inequality within and between societies. How were societies unequal during the period of slavery? How did people manage to stop slavery?	Goal 14 Conserve and sustainably use the oceans, sea and marine resources. What are the problems with the way the oceans are being treated now? What will global warming do to coasts?	Goal 3 Ensure healthy lives and promote well being. How can we keep safe and promote healthiness?	Goal 16 Promote peaceful and sustainable societies. What happened at the end of WW2 to promote peace? Why might global warming and environmental degradation lead to more conflicts in the future?	Goal 13 Take urgent action to combat climate change. How will climate change affect Chinnor? What can we do to help prevent this?	Goal 5 Achieve gender equality and empower all women and girls. How were men and women treated differently in the past? Why were there more male pharaohs than female pharaohs?
