

Maths

Our topics this term are multiplication and division, money and statistics. The children will learn how to multiply two-digit numbers by one digit, and how to divide dividends that leave a remainder. They will add and subtract money, convert pounds into pence, and work out the change that should be given when items are paid for.

History

We will learn about the causes of World War 2, and the effects on children.

Music

Violin/cello lessons (Europe Y3) Singing and instrumental music from Charanga 'Three Little Birds' (Asia).

Science

We will learn about humans and other animals. We will look at why people need to eat foods from the different food groups, how we breathe and move, and the functions of the skeleton.

Collective Worship

Our value this term is trust. We will hear inspiring stories and reflect on how this value can improve our school, society and own lives.

Term 3 Y3 Europe/Asia

Children in World War Two

Spanish Colours, describing feelings and where we live.

Art

In art, we will produce art around the theme of sustainability, in preparation for the school art show. Year three will explore how rubbish can be recycled to create art.

RE

We will focus on the miracles of Jesus, looking at how he healed the blind and disabled.

ICT

The children will be shown how they can learn how to touch type; what the names of the rows are on the keyboard, and practise typing.

PSHCE

We will explore issues about staying safe, learning about people who are there to help us, how we can reduce risk, and tips for staying safe.

English

We will be studying adventure stories, looking at 'Ottoline and the Yellow Cat'. Children will learn about the features of adventure stories and then write one of our own, incorporating noun phrases and using connectives and different openers. We will also look at performance poetry, and children will work in groups to perform poems to the rest of their class.

Spellings

10 spellings each week to learn for a test on Friday.

P.E.

We will learn different traditional country dances, and practise moves like the 'doh si doh'. Children will cooperate in larger groups for final performances.
