

## MATHS

Our focus is measurement, looking at length and perimeter. The children will measure in mm, cm and m, and convert between different units of measurement.

We will work on fractions, counting in tenths, understanding the relationship between fractions and decimals, and finding fractions of sets.

## SPANISH

Focusing on numbers 11 to 20

## MUSIC

Violin/cello lessons (Europe Y3)  
Charanga singing, Charanga (Asia Y3)

## SCIENCE

We will be studying animals (including humans) and looking at skeleton structures, bones, muscles and nutrition (food groups). We will compare human and animal diets.

### Collective Worship

Our value this term is 'forgiveness'. We will hear inspiring stories and Bible teachings and then reflect on the importance of this value in our lives.

### Term 4 Y3 Asia/Europe

### OH, WHAT A WAR!

## ICT

We will learn how to send and open emails, adding attachments and what to look for in suspicious email addresses.

## ENGLISH

We will learn about the features of play scripts and how to write dialogue based on the Second World War themed story/ film 'Goodnight Mr Tom'.

We will also study authors and letters, looking at Jaqueline Wilson and some of her novels. We will study how to set out letters correctly. We will continue to learn the year three statutory spellings and teach the children to use fronted adverbials.

## HISTORY

We will learn about the key events of World War II and the impact the war had on life at home, such as women and war, air raids and rationing. We will visit the Lincolnsfield Centre in Watford.

## ART

WW2 poster designs and collage/silhouettes of 'The Blitz'

## RE

The significance of the Easter story,

What is 'good' about Good Friday?

## PSHCE

The importance of healthy diet and hygiene. How our bodies function, and managing our emotions.

## P.E.

### Invasion games

Mastering a range of passes, attacking/defending, playing small team games such as 'tag' rugby.
