

Weekly Homework: These tasks are expected to be completed weekly and are not optional.

Spelling: Spellings are set on EdShed each week on Thursday and are tested the following Friday.

Reading: Reading and follow-up challenges are set on Microsoft Teams

Maths: Activities are set weekly on Microsoft teams and Times-Tables Rockstars.

You may choose any of the following activities below in addition to your weekly homework task if you would like to. Challenge yourself! Can you complete at least one spicy activity? We will celebrate your wonderful work at the end of term!

	English	Maths	Topic	Science:	Art/DT
Mild 	Write your own myth set in Ancient Greece. Who will your hero be? How do they contrast with other characters in your story? What quest will they go on?	Find the heights of mountains in Greece and put them in descending order. 	Find one interesting fact about Ancient Greece. Ask 3 questions about this and record your answers.	Learn about the life cycles of different animals using BBC Bitesize .	Design a pot or vase in the style of the Ancient Greeks. What characters or activities could you depict?
Hot 	Research a famous person from Greece and write as many facts about them as you can.	Check your knowledge of lines and angles with this BBC Bitesize guide.	Choose one of the gods or goddesses of Ancient Greece. What did people believe about them? How were they worshipped?	Discover how different animals reproduce using this BBC Bitesize Guide and complete the quizzes to test your knowledge.	Can you make some Greek food like a moussaka by following a recipe? Global Goal 2
Spicy 	Write a biography of someone you know. They can be famous or someone in your family. How can you make your biography interesting to a reader who does not know them?	Look around outside and work out the perimeter of small local fields.	Find out about how the Ancient Greeks still influence the world today. Which changes do you think are the most important? Be ready to explain your reason.	Research a famous naturalist or animal behaviouralist and record what you have learnt about them and their discoveries.	Can you make a version of an Ancient Greek Temple from recycled materials? 

If you have any questions please speak to your class teacher.
