

Sadly for Year 6, our trip to the Harry Potter Studios was cancelled at the last minute. However, we didn't let this stop us from having fun. We had our very own Harry Potter day at school! We made our own wands, drank Butter Beer and blind tasted *Bertie Bott's Every Flavour Beans*...some of them were yummy...others had disgusting flavours such as earwax...eugh!!! Many thanks to all the parents who contributed towards making it such a fun day! We wouldn't have had chance to sample Butter Bear or make our own wands at the studios so we think it's been a GREAT success! Cheers!!
