Science

Awe and Wonder

Let's Investigate!

- Cornflour slime
- Fizzy colours
- Paper towel colour mixing
- Rainbow colour mixing

To plan, investigate and analyse the results of our own experiment – with a problem solving/engineering focus.

PE

Hockey

To be able to adapt skills from various sports into a new discipline.

To be able to control a ball and manoeuvre into space.

How you can help

Please continue to encourage your children to complete all set homework.

We also need children to become fluent in their times tables.

Regular reading – either listening to or reading with your child each night will continue to build their fluency and enjoyment for reading.
