Science – Investigating Materials

Distinguish between an object and the material from which it is made.

Compare and group together a variety of everyday materials on the basis of their simple physical properties.

Use materials for different purposes.

Christian Value – Responsibility

To understand that responsibility is about being kind and caring to each other through actions and words. Understanding that we can use our talents for the good of others, not just for ourselves.

How you can help...

Please continue to support your child's learning using the 'Home Learning' packs and resources available to you on our website.

Regular reading – either listening to or reading with your child each night will continue to build their fluency and enjoyment for reading.
