

Maths

We will be exploring place value, addition and subtraction this term. Reading, writing and representing numbers up to 1000, comparing numbers, finding 10 or 100 more or less than a given number. We will look at adding multiples of ten to three digit numbers, estimating answers and using the inverse to check. Every Friday we have a times tables challenge, where children will be able to show off their times table knowledge.

Music

Violin – Our peripatetic teacher, Mrs Patterson, will be back to teach the children in Europe class. Asia will create compositions inspired by classical music.

Science

The children will learn about rocks and soils. The world under our feet! How rocks are created; the different types and how they become eroded. They will become familiar with the rock cycle. We will also look at volcanos.

Collective Worship

Our value this term is courage. We will hear stories about courage and reflect on how this value can improve our classrooms, school and society.

Asia and Europe Classes

Year 3- Term 1

Passport to Kenya!

Spanish

This term we will be learning greetings and numbers.

ICT

The children will become mini coders and explore the world of Scratch, creating algorithms to control Sprites and getting them to follow simple commands.

Geography

Kenya-where it is in the world, its wildlife, farming and significant physical features. We will learning about its culture and cities.

PSHCE

Rules, rights and responsibilities, what are they, and how they help us. Drawing up a class charter, to ensure that we are working harmoniously.

RE

Hinduism- we will explore the festival of Diwali and look at how celebrating it, helps Hindus to feel part of a group.

Art and Design

The children will create drawings and paintings in a variety of media that will be inspired by our topic on Kenya.

English

Stories from other cultures- learning a story, changing the details and using the plot to write a tale of their own.

Shape poetry- Children will have a look at how the pattern and shape of a poem is important and make their very own!

Spellings

The children will bring home a spelling sheet and have a test on Friday. There are 10 spellings a week. Each sheet has the opportunity to look, cover, say, check.

P.E

The children will be back working on their athletics this term. They will work on running, jumping and relay races.
