

## Maths SG4

We will be exploring place value, addition and subtraction this term. Reading, writing and representing numbers up to 1000, comparing numbers, finding 10 or 100 more or less than a given number. We will look at adding multiples of ten to three digit numbers, estimating answers and using the inverse to check. Every Friday we have a times tables challenge. The children will practise rapid recall of addition and subtraction facts to 20.

## Music SG4

Violin – Our peripatetic teacher, Ms Scoles, will be back to teach the children in Europe class. Asia will learn songs from 'Charanga' music scheme.

## Science SG4

Light – we are learning about sources of light and reflection, how light travels, how we can look after our eyesight, what shadows are and how they are formed.

## Collective Worship SG4

Our value this term is creativity. We will hear stories about creativity and reflect on how this value can improve our classrooms, school and society.

## Asia and Europe Classes
