

Maths

Place Value & Addition and Subtraction –

Reading, writing and representing numbers up to 1000, comparing numbers, finding 10 or 100 more or less than a given number. We will look at adding multiples of ten to three digit numbers, estimating answers and using the inverse to check.

Music

Europe class will be starting our Violin lessons. **Asia** will learn songs from the 'Charanga' music scheme.

PSHCE

Rules, Rights and Responsibilities – What are they and how they help us? Drawing up a class charter, to ensure that we are working harmoniously.

Science

Light – We are learning about sources of light and reflection, how light travels, how we can look after our eyesight, what shadows are and how they are formed.

Collective Worship

Courage – We will hear stories about courage and reflect on how this value can improve our classrooms, school and society.

RE

Hinduism – Does visiting the Ganges make a person a better Sanatani?

French

Shapes & Colours – Different shapes & colours.

Art

Pointillism – The children will create paintings inspired by the French artist Seurat & his Pointillism technique.

PE

Swimming – The children will be developing the 3 main strokes and practising different drills to develop their stamina and water confidence.

Computing

Digital Literacy – The children will learn about online safety and being good digital citizens.

Asia and Europe Classes Year 3 - Term 1

Exploring Europe!

Geography

Europe – We will be learning about Europe's different countries, cultures and cities. The children will compare cities and identify human & physical features of countries.

English

Traditional fairytales from Europe – Learning a story, changing the details and using the plot to write a tale of their own.

Persuasion letters – Telling the perspective of the bad wolf in The Three Little Pigs.

Spellings – Practising words from the statutory list for years 3 and 4. Alongside weekly spelling homework.
