

Maths

Addition, Subtraction, Multiplication & Division -

The children will get lots of experience adding and subtracting three-digit numbers, learning when to 'exchange' or 'carry'. They will learn that multiplication is repeated addition and explore multiple models and images related to this topic. The relationship between multiplication and division will be explored. The children will begin to become more fluent with their times tables.

Music

Europe will be learning the violin, looking at note annotation, pulse and rhythm.

Asia will be following the Year 3 Charanga curriculum.

Singing and learning Christmas music.

Science

Forces - We will learn about forces. What is a force? We will investigate some of the forces that affect a car. We will look at magnetism and which materials are attracted to magnets, and explore which magnets are the strongest.

Collective Worship

Thankfulness -

We will hear inspiring stories and reflect on how this value can improve our school and society and think about gratitude.

French

Food - We will be learning about fruit & vegetables, likes & dislikes, and Christmas.

RE

Christmas - We will be discussing if Christmas has lost its true meaning?

Term 2 Y3 Europe/Asia Coasts

Computing

Octo Studio -

The children will use coding through the programme Octo Studio, looking at how to debug algorithms, and where coding is used in computing.

PE

Invasion Games

- We will explore a variety of balances and show them in large apparatus work. The children will have an opportunity to develop their co-ordination skills.

English

Newspapers - The children also write a newspaper report, looking at the features such as headlines, captions, and use of past tense.

Playscripts - We will be looking at dialogues and plays, examining how they are set out and then writing our own playscripts.

Spellings - Practising words from the statutory list for years 3 and 4. Alongside weekly spelling homework.

Geography

Coasts - We will explore the topic of coasts, looking at erosion and methods used to defend the coast.

PSHE

Valuing Difference - We will explore respect and challenge. Celebrating differences within our family, friends and community.

DT

Making photo frames -

Evaluating different picture frames then designing and making a free-standing photo frame.
