History:

Create a fact file on an Anglo Saxon ruler. You will have to do some research of your own. You could choose from one of these rulers (Alfred the Great; Ethelred the Unready; Cnut the Great; or Edward the Confessor) or research an Anglo-Saxon king of your choice as there were lots of different Anglo-Saxon kings!

What were they like as a monarch?
Which Kingdom did they rule?
Did people like them?
How long did they rule for?
What are they best known for?

Write a diary entry of what it was like living in the Anglo-Saxon times. What were their houses like? What food did they have to eat? What clothes did they wear?

Art/ DT:

Look at some Google images of Saxon brooches. How are they decorated? Design your own Saxon brooch. Make it from cardboard. Cut it into a circle shape and glue pieces of string or wool onto the circle to form patterns. Then cover the brooch with foil to get a realistic effect.

Computing:

Complete the weekly computing tasks on [Purple Mash](#). This terms computing is focused on Spreadsheets.
