Monday	Joe Wicks	Maths Shapes - same area Video links can also be found here: White Rose Home Learning	Literacy Create a poster or advertisement for your tart creation. Be as persuasive as you can, making your tart sound appealing to eat and highlighting its magical qualities.	STORY	Art Now that you have created a logo for your tart company, we would like you to apply your design to some packaging. Can you make a box for your tart to fit into? You can then decorate your box with your logo and other carefully designed information about your product	Purple Mash Maths	Live Lesson Science For the live lesson you will need a piece of A4 paper and a ruler. We will be looking into the innovation of flight and attempting to build our own version of the world record paper aeroplane!
Tuesday		Maths Area and perimeter Video links can also be found here: White Rose Home Learning	Literacy Watch these two video clips of Buckbeak from <i>Harry Potter and the Prisoner of Azkaban</i> : Harry and Buckbeak and Draco and Buckbeak . On the 2Do titled 'Buckbeak' write a description of the hippogriff from two different character's points of view – Harry's and Draco's.		Science In our continued build up to British science week (8th-13th March), this week we will be attempting to do our own home science experiments. On Purple Mash there are a number of different experiments for you to have a go at yourself! Feel free to pick as many as you like. There will also be a 2Do to write up any results and findings from your experiment.	Purple Mash Spanish	Live Lesson Art
Wednesday		Maths Area of a triangle (1) Video links can also be found here: White Rose Home Learning	Literacy Complete the reading comprehension about Buckbeak (sent in an email and set as a 2Do). On the 2Do titled 'Save Buckbeak', write a letter to the Committee for the Disposal of Dangerous Creatures to persuade them not to kill this hippogriff.		Computing Last week was a good introduction to databases and questions using information from the world cup database. This week your task is to take a look over the Tsunami database (a 2Do is set for this) and then to make your own quiz/questions using 2Quiz. The best quizzes will be picked out for everyone to have a go at as a 2Do using the Tsunami database to try and find the answers. It will be set for your classmates, so keep in mind that the questions should be aimed at a Year 6 level.	Purple Mash Computing	Live Lesson DT Cook along

Thursday	<p>Maths Area of a triangle (2)</p> <p>Video links can also be found here: White Rose Home Learning</p>	<p>Literacy Choose a favourite book to bring along to the live lesson today to celebrate World Book Day! Choose one of the tasks from the ideas grid to complete.</p>	STORY	<p>Music We have been listening to music and thinking about how it effects our emotions. Some songs/pieces of music make us feel calm or sad, other make us feel happy and positive. Music can reflect all human emotion. Can you use 2Sequence on Purple Mash to create a composition to reflect a mood of your choice? When you hand in your finished piece, let us know the emotion you have tried to convey.</p>	<p>Purple Mash Reading</p>	<p>Live Lesson Literacy</p>
