

Literacy

"I used my writing skills to write a get well soon card to my Nan. She was able to read everything I had written!"

PE

"I joined the tennis club outside of school because I enjoyed learning it in school".

Maths

"I had to work out how many toys I needed for my party. So, I used multiplication with the party bags".

Science

"I really enjoyed the experiments we did so I taught my Mum how to make gas with coke and mentos"

RE

"My brother accidentally hurt me and I forgave him"

MFL (French)

"I recognised some words in French when I heard a French song"

Year 2

The Impact of Our Curriculum

History

"At the weekend we went to the monument, and I got a certificate! It was great to see where the fire started".

Computing

"I used Minecraft at home to make my own rainforest. I'm saved all the orangutans!"

Geography

"I liked learning about the rainforest, so I read a book about orangutans. Did you know they are going extinct because their houses are being chopped down?"

Music

"I tried to play the song we sang at Church on the ukulele".

DI

"I made bread at home after we learnt how to do it at school".

Art

"I drew a picture of a jaguar at home as it makes me feel calm"
