

To all the pupils of St. Andrew's CE Primary School,

This newsletter is for you! It is run by some year 6 pupils and school councillors. If you would like something to feature in the newsletter please email SCOU3182@st-andrews.oxon.sch.uk

We can't guarantee to print everything but we will try our best.

EYFS

All Aboard the Butterfly Express!

When we came back from the half term holiday we had a wonderful surprise!

Our very own train!

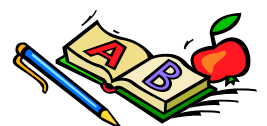

Thank you TC2!

We love it!

EYFS

Year three visited the Hindu temple at Neasden. We had a great time there, seeing the hand carved statues and seeing a Hindu act of worship.

Jurassic World 2 Audition! -Year 4

Today (16 November), at half past two, I am going to London with my dad to audition for the part of Lucy, a 9 year old girl, in Jurassic World 2. I have been practising my 'shock' to 'outright terror' acting including lots of screaming. A few days ago I thought that I would never get the part until my

Stage School Principal said "It takes a long time for them to respond." Then, on Monday, my mum told me I would be auditioning on Wednesday!

My best friend at Stage School auditioned yesterday for the same part. She has given me lots of information about what happens.

Tonight I will have to read out my scripts and afterwards I will go for a nice dinner with my parents in London. I am really nervous for my audition but very excited too. I do hope I get the part!

By Emily (Y4 Africa Class)

Ella wrote a letter to Blue Peter about the new School bus and the school council. She explained what the school bus was for and all the hard work that had been put into the bus. Ella told Blue Peter that the School Council are always thinking about improving the school even more, so that more children will join the school. Ella was in the School Council last year and came up with ideas such as improving

break times with equipment for Manser playground. Blue Peter were really impressed with Ella's letter and her constant efforts to help improve the school, they awarded her the Blue Peter badge and a gift card so as she can enter over 200 different attractions free of charge. They also gave Ella a paper aeroplane, which was used to break a world record in the Blue Peter studios. Ella encourages all pupils to write to Blue Peter and to try and gain a Blue Peter badge too.

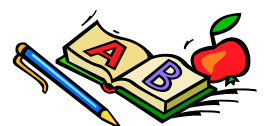

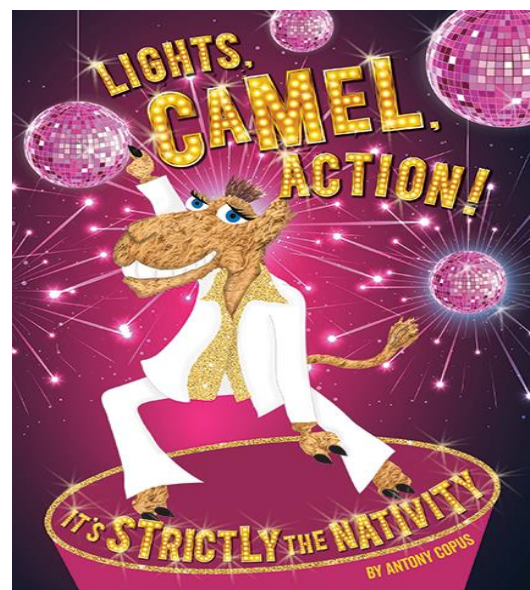

Conveniently, I am not prone to homesickness the dainty part of it did not affect the pleasure of going to Youlbury; on the hour journey, it was feeling strangely like the Yellow Brick Road on the way to the Wizard of Oz. With a slight plunge of anxiety, I stepped out of the car and into the gravelly surface upon my first impression of an adventure I would never forget. The first major thing to conquer was the 3g swing (3g for 3 gravity), the memory still is vivid to this day, I imagined the force pushing down. I didn't think about my family for the first 5 hours (a new record for me!), despite how much I missed them inside my heart. The rest of my visit to Youlbury was just the same, it was a dream worth waiting for. I'd highly recommend it to everyone.
Luke Rayfield (Year 5)

Key Stage 1 have started rehearsals for our Christmas Production. It will be strictly amazing!

St. Andrew's CE Primary School - Pupil Newsletter

Year 6 Kingswood - North Wales

Kingswood was awesome. We had the best time! Some of the things we did were:

- Archery
- Fencing
- Lazer zone
- Climbing
- Abseiling
- Giant zip wire
- Caving
