

St. Andrew's C of E Primary School

Sand Street,
Soham,
Cambridgeshire,
CB7 5AA

Dear Parent/Guardian

My Child At School (MCAS) Bromcom

With every effort to improve and centralise our communication system, we would like to introduce you to the My Child At School (MCAS) App.

MCAS is part of Bromcom which is our internal operating and record keeping system. It is an electronic communication platform which links directly to our academy data systems to ensure contact details are up to date and information is received quickly. It will allow you to view up-to-date information about your child whilst also receiving messages and notifications from us too.

In order for parents to receive communications via MCAS, you will need to sign up to the App. It is recommended that any adult with parental responsibility for the child does so. The App is available for download from the Apple Store or Android Store, and there is a desktop version (however, notifications can only be received if you have activated the App).

How to sign up

- Once your child starts Nursery, you will receive a separate email with a link for you to reset your password, the link expires after 24 hours. *Please note – The school will need your up-to-date email address.*
- A PDF booklet is available if you are unable to complete the app process, please contact the school office to get a copy if needed.
- Once complete, login to the Website using your email address and password.
- Download the MCAS App and sign in (MCAS can be accessed via a web browser and by an App).

The website can also be found here: <https://www.mychildatschool.com/MCAS/MCSParentLogin>

Please speak with the office in the first instance should you have any questions.

Kind regards

Mrs Elizabeth Henderson

Headteacher
