

Advent Liturgical Garden

LIVE SIMPLY

We created an Advent Liturgical garden at the front of our school entrance. School Council members designed and created Liturgical garden to reflect the season of Advent. Each class wrote a LiveSimply Advent promise to demonstrate how they will be looking after the planet.

The greatest commandment, Love God and love one another.
Matthew 23:36-40

Designing our Advent Liturgical garden:

Making our Advent Liturgical Garden.

Each class wrote an Advent promise for the Garden on one of the candles.
