*"Loving God In All We Do."*

#### The 'Our World' topic is about ...

The children will learn about the four nations which make up the United Kingdom. They will explore the features of each nation, including their flag, capital city and traditional cuisine! Using atlases and maps, they will explore simple geographical features of these areas.

### **Wider curriculum learning**

This half-term our focus will continue to ensure that the children are happy coming to school and following the Year One routines. Through learning about past events both in terms of their own lifetime through Baptism and in the life of the Queen, the children will have a context in which to express their ideas and write informal letters.

### **We are going to read...**

### **Let's try this at home**

Create your own dragon, similar to Zog. What can't he/she do? If you were this dragon, how could you overcome this difficulty?

Write a letter to Santa or a letter to someone to tell them your news.
