'Loving God in all we do'

Headteacher: Miss D Dewhurst

Breakfast Club and After School Club Extended Services

Breakfast club is open from 7.30am – 8.45am every school day. Nursery and reception children go to the EYFS Breakfast Club in Nursery and all other years go into the KS1 hall.

Our after school club runs from 3.30pm – 6pm every school day. Nursery and reception children go to the EYFS after school club, years 1 – 6 go to the KS2 main hall. Y5 and Y6 children are allowed to use the ICT suite and Library.

Both clubs aim to give the children a feel of home, a time for them to relax, play and chat with their friends. Children are escorted by staff to and from club to class to ensure the safety and wellbeing of our children. All clubs are run by nursery and school staff giving children the familiarity and support they need.

Whilst we try to adhere to the groups below on occasion these may need to change due to staff:child ratios to protect the safeguarding and welfare of our children.

Breakfast Club

The EYFS breakfast club is based in the nursery classroom. This club is for the nursery and reception children attending school. The club is smaller with fewer children attending than the main club; this allows the youngest children to adjust to their new surroundings. We have found this supports the transition of the nursery children into school.

Y1 to Y6 Breakfast club is held in the KS1 hall.

Children can access a healthy breakfast to start their day including cereals, crumpets, toast, milk and water. We promote independence throughout school. Children are encouraged to pour their own cereal and milk, butter their toast etc. under supervision. This gives an understanding of key skills they need as they grow up. Children also have access to a wide range of toys and games to play with.

After School Club

The EYFS after school club is based in the nursery classroom. This club is for the nursery and reception children attending school. The children have access to a range of resources in the nursery to play with. From painting and craft, jigsaws and games and the role play area to name a few. We also go outside using the playground, field or nursery area. The winter nights don't stop us either, you will find us in the nursery outdoor area playing hide and seek with torches.

Y1 to Y6 ASC is held in the KS2 hall. The club is set up based on children's interests and children choose what they would like out that evening. They have plenty to choose from including games, role play, crafts, cooking, small world, etc. They also have access to the KS2 playground if they choose to go outside. Y5 & Y6 are allowed to use the IT suite and Library.

As part of the session children will be provided with a snack.
