

# A little extra ...

As previously mentioned, at St Anne's we aim to provide as many extra-curricular opportunities as we can to enable the children to discover and develop their interests. We have been delighted that restrictions have been lifted slowly to give the children the chance to attend Covid safe sporting events with their peers from their year group bubble.

We have made great links with Ormskirk Tennis Club and we now have children from Years 1-6 attending high quality tennis sessions before and after school.

The Y4 children took part in a golf tournament at Hurlston Hall. Watch out Rory McIlroy!

Our youngest children in EYFS are currently enjoying the Mini-Wheelers, while our oldest children are enjoying Bikeability.

Congratulations to the Year 6 boys and girls who took part in the football tournament at Ormskirk C of E. They were outstanding in the way they performed and the way they conducted themselves. We were very proud of them!

The Y3 boys and girls have certainly been entering into the spirit of the nation at Football Club after school on Mondays.

There is no better way to start the weekend than with a refreshing run. Huge thanks to Mr Bates & Mrs Walker for organising Y6 Friday evening running club. They are so proud of the progress that the children have made. Keep running!

The upper KS2 children could not fail to be motivated by the royal

marine, amputee and world record 10k athlete Andy Grant who came to share his inspiring story. Always remember his key message, children ... dream big!

We would also like to extend our thanks to Mr Rawlinson & Mr Cairns for continuing to nurture and develop our keen musicians, while following the Covid guidance so carefully. We now have 30 children from years 2 - 6 enjoying guitar lessons; and many children taking singing, piano and flute lessons.

At St Anne's we are truly blessed with some amazing, talented artists. A group of Year 6 children are currently working together to develop our playground area with portraits of inspiring athletes, such as Jessica Ennis-Hill.

The Year 2 children have entered a competition to design a piece of eco art, using bottle tops, to display next to Willow Woods, as a pledge to look after the wildlife in our school grounds.
