## Job Description: Key Stage 2 Teacher

Salary / Scale: MPR<sub>1</sub> – UPR<sub>3</sub> based on experience.

**Full Time Permanent position - Required September 2022**

### Key Stage 2 Classroom Teacher

St Anne's Governing Body strongly welcome applications from teachers who are experienced in teaching Key Stage 2 year groups. As a large primary school, we have the flexibility to position teachers into the year groups where they can thrive and inspire our children in their learning. St Anne's continues its relentless drive to provide the very best we can for all our children and staff. This is a very exciting time to join St Anne's as we begin the next phase of our development.

St Anne's is a two-form Catholic primary school set within beautiful grounds. The successful candidate will have the opportunity to plan curriculum opportunities alongside an experienced member of staff to ensure that our children receive a balanced curriculum experience.

As Class Teacher, you will be expected to fully support the Catholic Ethos of our school and follow all school policies. You will also be expected to fulfil all the requirements of a teacher based on the DfE National Teaching Standards/UPS Standards. A teacher is expected to demonstrate consistently high standards of personal and professional conduct. The following statements define the behaviour and attitudes which set the required standard for conduct throughout a teacher's career. Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school, by:

- treating pupils with dignity, building relationships rooted in mutual respect, and at all times observing proper boundaries appropriate to a teacher's professional position
- having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions
- showing tolerance of and respect for the rights of others
- not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs
- ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.
- Teachers must have proper and professional regard for the ethos, policies and practices of the school in which they teach, and maintain high standards in their own attendance and punctuality.
- Teachers must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.
