Free School Meals

- All children in FS and KS1 are entitled to a free school meal. We would encourage all children to try the school dinners in the first instance.
- The meals are very nutritious and the sugar content is calculated so that the children do not receive more than they should.
- As the children start school their teachers will sit and have their dinner with the children so that they feel more secure during this time.

Free School Meals/Pupil Premium

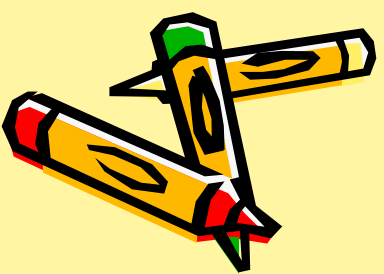

- Free School Meal Form (see welcome pack)
- Benefits –even for a few days
- Your child is entitled to Pupil Premium money which is extra money given to school for your child. As a school, we have to show Ofsted and school governors how this money is being spent and that it is being spent on those children who are receiving PP money.
- The school receives this payment for your child till they leave in Year Six.
- So if you do receive benefits even if just for a few days please complete the form because it could mean that your child will receive extra funding for their education in school.
