Spotlight on Year 6

Last half term ended with a bang for Year 6 with their residential trip to Tower Wood. Yes it was wet, but the children threw themselves into every activity and had a great time.

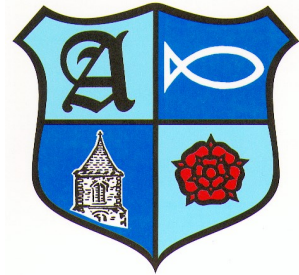

The children challenged themselves by climbing mountains, rowing on Lake Windermere and even doing a leap of faith on the high ropes course! We were so proud of their attitude, behaviour and really enjoyed their company during our time away.

Now into their final half term at St Anne's - the action doesn't stop. The next 6 weeks will include, rehearsals for the play, a leavers mass, Nugent Care Day, transition days, Sports Day and plenty more! (All on top of the normal curriculum!) Memories will be made and we know the children will leave us certainly being Year 7 ready!

Message from Headteacher

Dear parents, carers and grandparents,

Please keep the children who are celebrating their 1st Holy Communion this weekend in your thoughts and prayers. Children will be making their 1st Holy Communion over the next two weekends at St Anne's.

We will be welcoming two new teachers to our school from September. Miss Rutter will be the new Key Stage 1 leader and will teach in Year 1 with Miss Oates teaching in Year 2.

Reception	Miss Whiteside	Mrs Litherland
Year 1	Miss Bailie	Miss Rutter
Year 2	Miss Oates	Miss Banks/Miss E Williams
Year 3	Mrs Seddon/Mrs Avington	Miss Disley
Year 4	Mrs Brookfield	Mrs Elwill
Year 5	Mr Batchelor	Mr Knowles
Year 6	Mrs Hewitson	Miss Williams

Sports Days – Following the success of previous years, we will continue with the same planned approach. Sports days will take place in the afternoon with starting times communicated nearer the date. Unless rain makes sports days unsafe or uncomfortable, we will go ahead as planned. If it is too wet on the planned and reserve dates, children will complete sports days during PE lessons.

Year groups	Planned date	Reserve date
Nursery and Reception	Monday 24th June	Monday 1st July
Year 1 and Year 2	Tuesday 25th June	Tuesday 2nd July
Year 3 and Year 4	Wednesday 26th June	Wednesday 3rd July
Year 5 and Year 6	Thursday 27th June	Thursday 4th July

Please can I remind parents that suncreams must be applied at home and that school staff cannot apply suncream in school. Hayfever medication must be taken in the morning too. Children are welcome to bring a cap or summer hat into school when the sun is shining.

Reminder – We have several children in school with severe nut allergies. There can be no raw nuts or nut products brought into school. Please check snacks and packed lunches carefully. All snacks need to be healthy!

Wishing all our families a wonderful weekend,

Mr P Bates

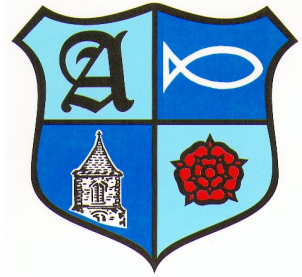

Headteacher

Curriculum News

Nursery We have been talking about Summer, the children have been sharing their experiences and knowledge with each other. The children have also been very busy creating their own pictures, and mark making in sand but we had the most fun blowing bubbles in water. The children have also begun to practice for our Sports Day.

Star of the Week; Eden T and Emerson M **Mission Statement;** Beau D

Reception This week in Reception we have been reading The Gingerbread Man. We then designed our own Gingerbread man and labelled them using our phonic skills. In maths we have been learning about sharing and grouping. In our understanding the world this week we have started learning about maps.

Year 1 Year 1 started their half term with Poetry. We have been comparing different poems and have recited the poem 'What is Pink?'. In Maths we have been partitioning numbers 50-100. We have been looking at weather in Science and map work of our local area in Geography.

Year 2 This week in Year 2, the children have been preparing to read 'The Day the Crayons Quit' by exploring the style of illustrator Oliver Jeffers. The children explored the different media that Oliver Jeffers uses then used this to influence their own animated stationary characters. The children created some amazing scissors, rulers and pencils.

Year 3 Year 3 have made a wonderful start to the final half term of the year, by showing excellent skills in Athletics, especially when using hurdles. They have been introduced to the artist Matisse and explored two classical poems, plus learnt to read times in digital forms.

Year 4 Mrs Brookfield and Mrs Elwill would like to say a huge WELL DONE to all of the children who completed their Multiplication Tables Check this week. You have all worked really hard to get to this point and completed your tests in a mature manner.

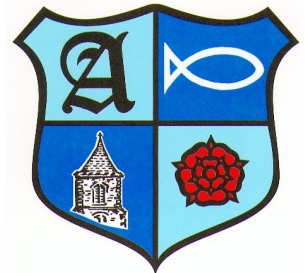

Year 5 Year 5 have started looking at the amazing legacy of Ancient Greece and what makes us all want to go to modern Greece. We have seen how the Olympics in 6 weeks comes from the ancient ones held in Olympia nearly 3000 years ago. Fascinating. We are also looking at negative numbers in Maths and how bank accounts can go into the red! Hopefully, we haven't given the children any ideas.

Year 6 **See Spotlight**
