## Spotlight on Year

It's hard to believe that Year 6 have almost completed their final Autumn term in primary school! What a busy term it has been!

Most recently, the children have spent the past few weeks observing, researching, planning and finally creating a piece of artwork inspired by the amazon. The results have been brilliant!

In English the children have written newspaper reports based on the Boxing Day tsunami in 2004, reporting on the devastation it caused as well as commenting on it as if they were witnesses.

As part of their Geography topic they have worked hard to understand longitude and latitude and how it can help them locate continents and countries on a globe. The children have also completed their athletics course of lessons with West Lancs Sports Partnership.

We're looking forward to next week and to the party with our buddies!

Wishing you all a very Merry Christmas!

Congratulations to all our Year 5 children who led the school/parish family in a beautiful Carol Service on Wednesday night. The children read and sang to the best of their abilities, and we are all extremely proud of our children. I am sure all who were present will agree it was an exceptional Carol Service. Well done to Mr Knowles and Mr Batchelor for organising this service.

## Curriculum News

**Nursery** In Nursery we have been very busy this week making Christmas gifts for our families, the children have worked very hard and have enjoyed making them. We have also completed our RE topic 'Prophecy and Promise', the children have been listening to and talking about the Christmas Story. We have had discussions about what it means to 'Celebrate' and the different ways and reasons why we do.  
Star of the Week: Maggie P    Mission Statement: Rosie G

**Reception** In Literacy this week in Reception we have been using our amazing phonics skills to write a message in our Christmas cards and in Expressive Art and Design we have been creating Christmas magic by designing the front of our cards. In Maths we have been developing our skills in finding one more and one less than numbers up to 5 and in Music we have been learning about traditional Christmas music. We have been enjoying our Christmas themed challenges, including using tweezers to find the reindeers jingle bells, finding all of the Christmas images hidden around our classroom and writing their initial sound, ordering different lengths of paper to create a Christmas tree and lots more!

**Year 1** This week in Year we have been looking at the Christmas poem 'Twas the Night Before Christmas'. We have discussed what the poem is about and looked at the past tense verbs used throughout the poem. In Maths we have been continuing to look at the numbers to 20 and working out one more and one less than these. In the Wider Curriculum we completed our learning on 'Our World' and recapped all that we have learnt.

**Year 2** In Year 2 this week we have been working with 3D shapes, finding out the faces, edges and vertical. In English we have planned and written our independent Kenning poems. We have been discussing about the environment.

**Year 3** The Year 3 children this week have been learning about the Christmas traditions in France. They have also been investigating shadows in Science, exploring how they are created and how they change due to different circumstances. In English they have been creating their own comic strips for their Super Heros and Villains.

**Year 4** This week, Year 4 had their last swimming session. Since September, the children have made great progress in their swimming ability and confidence! Well done Year 4. During Science lessons, the children have been identifying vocabulary linked with food chains and they are working towards their final piece which is to create a food chain independently. The children have planned their persuasive letter to Rishi Sunak about whether the Slave Trade should be taught in schools.

**Year 5** After much blood, sweat and tears, our Year 5 Carol Service was a delight. Our children were incredibly brave and skilled at telling the Christmas story in song and words. We are very grateful to all those wonderful parents who came to the concert and supported their children so brilliantly.
