Spotlight on Year 2

This week has seen the launch of our final theme of the year - We are Eco-Warriors'. To showcase our theme, the children are rehearsing their end of year play - 'Eddie the Penguin Saves the World' - to teach them all about how to care for the planet.

In English, the children have started to read a collection of seaside stories. They have been writing amazing expanded noun phrases to describe Mr Grinling's delicious lunch.

Maths, this week, has been focussed on telling the time. It has been a challenge, but they are getting closer to telling the time to the nearest 5 minutes. Keep practising at home!

The Y2 children and staff also wanted to say a huge thank you to everyone who came to support them at Sports Day. They had great fun - we hope you did too!

Dear parents, carers, grandparents and parishioners,

As we begin the month of July, and with the end of the school year only a few weeks away, it is worth reflecting on the amazing year all our children have had in school. The opportunities and achievements that our children have received will be celebrated through two documents; your child's school report and also St Anne's Curriculum Celebration Document. You will receive both documents towards the end of next week enabling all families to celebrate the past year together with their children.

The children have moved into their new classes for this morning's lessons. The following tables shows which classes are moving to which teachers from September.

Class 4 - Miss Reardon	Class 6 – Mrs Preston
Class 5 - Miss Banks	Class 7 – Mrs Ellis and Mrs Seddon

Class 10 – Mr Dorrity	Class 11 – Miss Disley
Class 11 – Miss Disley	Class 13 – Mrs Hewitson and Mrs Cleary

Finally, a huge thank you to all the parents who helped support Sport Days this week. Whether you were boiling kettles helping the PTA or supporting your child in their races, I hope everyone had a wonderful time. Year 3 and Year 4 will move their Sports Day to Wednesday, 1.30pm due to the rain this week.

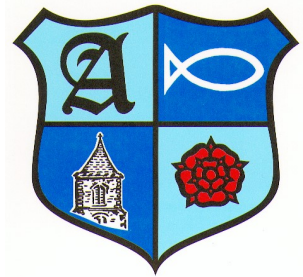

Wishing all our families a wonderful weekend,

Mr P Bates

Nursery In Nursery we have been very busy having lots of fun and games as our time in Nursery is nearly over! We have been rehearsing for our Graduation performance and are looking forward to performing it for everyone.
Stars of the week: William L, Charlie G and Teddy A

Reception This week we have continued to learn about space and have written some fantastic sentences in writing groups about space. We have begun our new RE topic where we are learning about our world and what we love and wonder about it.

Year 1 Another week filled with lots of fun and laughter. The children have innovated their own version of 'The Secret Path' including a beginning, middle and end. In maths the children have continued to recognise the value of numbers to 100 and comparing them. We had lots of fun participating in our sports afternoon and really loved having our families there to cheer us on.

Year 2 Please see this week's 'Spotlight'.

Year 3 The Year 3 children are still continuing to work hard across the curriculum and producing work of real quality. They have managed to begin our new RE topic of Special Places, created beautiful art masterpieces, been great mathematicians and continued to be excellent representatives of our school in swimming. Here's hoping they'll have a great, rearranged, Sports Day next week!

Year 4 This week, Year 4 have been practising for Sports Day. During the Health and Wellbeing session, the children created and led their own fitness routines which their classmates participated in. The children also met their new teacher.

Year 5 Year 5 were amazing at Sports Day, both as competitors and spectators. Fabulous running, no runny eggs in the Egg and Sports race, and some interesting skipping skills in the obstacle race! Fun had by all and the sun even shone!

Year 6 In Year 6 we have been working hard on preparing for our play. Lines are being learnt, songs practised and props gathered. Over the last two weeks both classes have been lucky enough to have Mr Farrimond come in to work on "Locomotive Builder". They have learnt valuable IT skills.

School Council Matters.....

The School Council are holding a Charity Tuck Shop during break-time at the end of the summer term to raise money for Ukraine.

The Infants Charity Tuck shop (Nursery to Year two) will be held on the morning of Friday 8th July.

The Juniors Charity Tuck shop will be held on the morning of Wednesday 13th July.

There will be cordial to add to water bottles for 10p, ice pops for 25p and crisps from 25p to 35p so no child will need to bring more than 70p.

Let's hope the weather is wonderful whilst our children support this event.
