## Curriculum News

**Nursery** The Sparkling Stars have been very busy this week practicing for Sports day on Monday morning! We have also been talking about what our favourite songs are ready for our Graduation. We have all been working hard in our focused groups this week, recapping on what we have learnt over the year. The children from Year 3 came to visit us on Thursday and read us some stories. Thank You very much Year 3 we loved it. The Gigggle Tots have been rescuing sea creatures that got stuck in the ice!

**Reception** This week in Reception we have been exploring our outside area. We have enjoyed picking home grown strawberries and watering our growing vegetable garden. In maths we have been learning about doubles to double 5 and in literacy we have been using adjectives to describe the Big Bad Wolf from The Three Little Pigs.

**Year 1** This week, we have been learning to recognise different coins and notes, and understand their value. We've also been observing our sunflowers as they grow and have been labelling the different parts of the sunflower.

**Year 2** This week in Year 2. In Maths, we have looked at position and direction, we used the Cha Cha slide to help us with our left and right. In English, we have started our new story the 'Pirate Cruncher'. In Science, we have continued to observe our Sunflowers and what they need to grow. The one in the dark cupboard is looking very sorry for itself! The Sunflowers will be coming next week to be planted in your gardens.

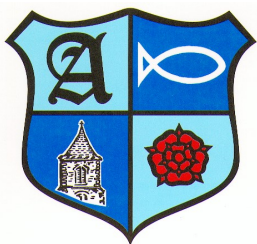

**Year 3** The children in Year 3 have visited the Toddler group and Nursery this week to read stories to the children, which they did in a kind and caring way and the experience was enjoyed by everyone. They have also been writing their own scene for a playscript, including great stage direction as well as dialogue.

**Year 4** This week Year 4 have grouped together to plan their stalls for our 'Charity Morning'. They have discussed how they can raise the most profit to donate to charity. In Tennis we practiced our backhand shots. We hope that the children who are making their First Holy Communion this Saturday have a wonderful celebration.

**Year 5**

**Year 6** Year 6 are in the midst of completing their end of school bucket list - 10 things to do before Year 7! This week the children dressed up as 'teachers' with some great impressions of our very own St Anne's staff! We've also been ploughing on with our rehearsals for Matilda, the children have been brilliant at learning their lines and all of the lyrics!

**THE WORD** Wednesday **SHARING SUNDAY'S GOSPEL WITH PARENTS & FAMILIES**

**Wednesday 18<sup>th</sup> June 2025**

Dear Parents and Carers,

This Sunday, the Church celebrates the great feast of Corpus Christi [two Latin words which mean 'the Body of Christ']. In some parts of the world there are processions through the streets. This is traditionally a time when children make their First Holy Communion.

The gathering in this Sunday's Gospel wasn't just a huge, miraculous, open-air picnic. This was a sign of the Eucharist (Holy Communion) which Jesus would establish with his disciples at the Last Supper.

Jesus makes the same offer to nourish us today, especially when we receive Holy Communion - a sacred moment, when we receive a gift from heaven - we receive Jesus. This helps us become closer to Jesus and closer to each other - to keep growing in goodness and love.

Enjoy exploring this Sunday's Gospel and this Wednesday's word, which is **NOURISH**.

**THE GOSPEL IN CHURCH**  
**Sunday 22<sup>nd</sup> June 2025**

Jesus had been with the crowds all day. It was late afternoon when his disciples came to him and said, "Send the people away, so that they can go to the nearest villages and farms to find food and shelter for the night, because this is a lonely place." Jesus replied, "You give them something to eat." But they said, "We have no more than five loaves and two fish. Are we to go and buy food for all these people?" For there were about five thousand there. So Jesus said to the twelve disciples, "Get the people to sit down in groups of about fifty." Then Jesus took the five loaves and the two fish and, looking up to heaven, he blessed them, broke them, and gave them to his disciples to hand out to the crowd. They all ate as much as they wanted and the leftovers filled twelve baskets.

To nourish means to feed and help grow. In this Sunday's Gospel, before he fed the 5000, Jesus looked up to heaven, said the blessing, broke the bread and then shared it. Today, the priest does the same thing at Mass - Jesus continues to nourish us through the Church!

## Mutual Respect and Tolerance

People can express themselves in unique and powerful ways. We can respect others by being open to learning about how and why people use different forms of communication.

What can we learn from people who communicate in different ways?
