Spotlight on Reception

This week Reception have been continuing to learn all about Space. We have listened to, and role played the story 'Whatever Next' and thought about the items that we would take to space. We have learnt all about living in space and how it is different to living here on Earth.

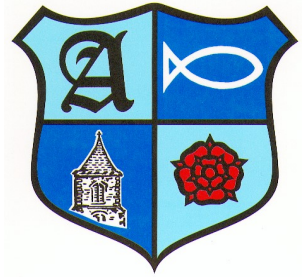

We also had a very exciting afternoon learning all about rockets and even launched our very own rockets outside on the field. They went super high!

Message from Headteacher

Dear parents, carers, grandparents and parishioners,

Over recent weeks, parents, children and staff have completed feedback surveys about our school. Our school photographer has also visited school to take hundreds of excellent pictures that we will use to refresh the school website.

Today, you will be able to view the first of three multimedia presentations sharing a selection of quotes and photos. Today presentation has a music track taken from when our school choir visited 'Abbey Road' studios in London in 2018.

Click <https://vimeo.com/567469057> to view the presentation.

Alternatively, you can access the presentation through the school website www.st-annesrc.lancs.sch.uk and view all the videos we have prepared for you to enjoy with you friends and family.

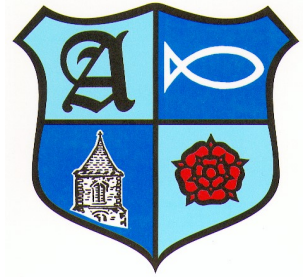

Wishing all our families a wonderful weekend,

Mr P Bates

Headteacher

Curriculum News

Nursery This week we have continued our theme on Pirates but have also been looking at creatures who live under the sea. The children have designed their own treasure maps and have been making colourful telescopes themselves, learning how to roll and secure paper. The children have continued to enjoy playing outside digging for treasure and examining different water creatures, some of us got very wet! We were excited to find out octopus squirt ink and loved watching clips of them doing so! The children have been exploring the different ways the animals move and have been using their imaginations to recreate these moves. Well done to all the children who have been really busy at home making fantastic pirate accessories! We have really enjoyed seeing them all.

Reception Please see this week's Spotlight.

Year 1 This week in Year 1 the children have been very busy writing the beginning, middle and ending to their own version of the story 'The Secret Path'. They have worked hard to use adjectives and joining words in their story. We have really enjoyed experimenting with glockenspiels in our music lessons and we have created different musical patterns.

Year 2 This week the children have been busy little bees! On Monday they enjoyed trying the events in order to prepare for Sports Day. They have also been doing lots of work in RE about the importance of rules. They made zigzag books to explain our class, school and community rules. They read some great stories about making and breaking rules and explored the importance of saying sorry. To end the week, and their class reader 'The Day the Crayons Quit', they have written brilliant sorry letters from Duncan to the crayons.

Year 3 This week in Year 3 we have begun our topic of persuasive writing. We've also continued our plant & flower work, setting up experiments & sketching around the school grounds!

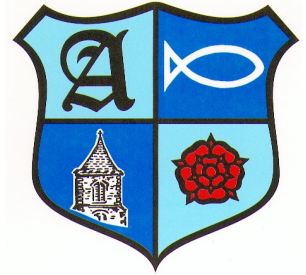

Year 4 On Wednesday, Year 4 completed their multiplication check. The children have worked extremely hard to learn their times tables and we are very impressed with their effort. Well done Year 4!

Year 5 On Wednesday, Year 4 completed their multiplication check. The children have worked extremely hard to learn their times tables and we are very impressed with their effort. Well done Year 4!

Year 6 This week in Year 6 we have been learning about OS map symbols and inventing our own.

School Council

On Wednesday 30th June, St Anne's holds our School Council Elections! This week, all classes have held sessions where candidates could present why they want to be chosen and their ideas about improving our school. Our School Governors and Nikki Hennessy, County Councillor host the event to ensure the proceedings all take place correctly! We shall announce our new School Council next week.

Key Messages

Covid19

The key messages to try to reduce the spread of Covid-19 are:

Ensuring good hand washing routines using soap and hot water.

Adults and children to maintain a 2 metre distance wherever possible.

Parents and children not to gather at the start or end of the day on the school grounds.

St Anne's Church Bulletin is available on the Church website. A link is available at the bottom of every page on our school website:
