Spotlight on Year 1

It has been a busy week in Year 1!

In English we have been writing our own versions of the story Percy the Park Keeper which have included some very exciting and creative endings to the story. It has been wonderful to see the progress made from each child since the beginning of the year in their writing as we have flicked through their English books this week!

In maths we have been learning all about time. We began the week by looking at the days of the week and the months of the year and have ended the week looking at how time can be measured in seconds, minutes and hours (there was some slight concern with Class 3's cleanliness as some argued that a shower would take 10 seconds as opposed to 10 minutes!)

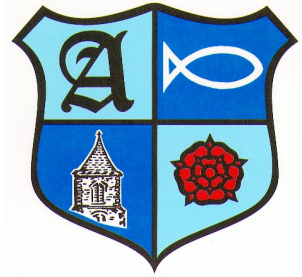

Year 1 also had their Sports Day on Tuesday and despite the heat put on a performance that showed the athletes that they are as well as their brilliant sportsmanship. They were brilliant and had lots of fun! Wednesday saw the return of our annual Nugent Care morning. The children loved spending their money for a wonderful cause on activities, sweets and treats and toys! It's safe to say they had a great time!

In PSHE we have been learning all about the use of money and needs and wants. We identified things that are needs and those that are wants! We ended our week with our final DT project! Our mini architects came out for the afternoon as we built our marble runners. They worked brilliant as teams to create some amazing final pieces.

Message from Headteacher

Dear parents and grandparents,

Thank you to all the parents and grandparents who supported all the children during Sports Days. All the children were magnificent and competed well.

Nugent Care – Another wonderful Nugent Care morning took place on Wednesday morning. I am always amazed by the generosity of all our families when supporting the Nugent Care event. Everyone had a wonderful morning and we have raised just over £1,000 AMAZING!!

Please can I remind parents that suncreams must be applied at home and that school staff cannot apply suncream in school. Hayfever medication must be taken in the morning too. Children are welcome to bring a cap or summer hat into school when the sun is shining.

Reminder – We have several children in school with severe nut allergies. There can be no raw nuts or nut products brought into school. Please check snacks and packed lunches carefully. All snacks need to be healthy!

Wishing all our families a wonderful weekend,

Mr P Bates

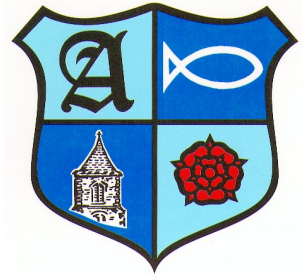

Headteacher

Curriculum News

Nursery The children were really excited to show their families their skills on Sports Day. All the children have worked hard practicing so it was really nice to see them show everyone how good they are. The children cheered for their friends and supported each other. We were very proud of them all, we hope you enjoyed it as much as the children did.

Star of the Week: Albie L

Mission Statement: Alana G

Reception What busy week in Reception! We enjoyed Sports Day on Monday; we all tried our very best and competed so well! In maths we have been learning about positional language and then drawing our own maps. In music we have continued to explore sounds of transport and this week we focussed on cars- thinking about the tempo of the sounds.

Year 1 **See Spotlight**

Year 2 We have had a busy and exciting week in Year 2. This week we started our rehearsals for our end of Year 2 play... 'Edwina the Penguin Saves the Day'. The children have been working hard to learn their lines and songs. We also went on our school trip to Coronation park where we went on a Summer walk and looked at the habitats within the park.

Year 3 This week, Year 3 have enjoyed their very first experience of being sellers at the Nugent Care event, where they made lots of money selling their wide and variety goods. At their Sports Day they loved jumping hurdles, balancing egg on spoons and completing a baton race.

Year 4 Year 4's stalls for our Nugent Care event were fantastic- we had lots of fun and hopefully raised lots of money. The children were absolutely fantastic at sports day. They were sensible, supportive and competed to a high standard in the glorious sunshine! Well done to you all!!!

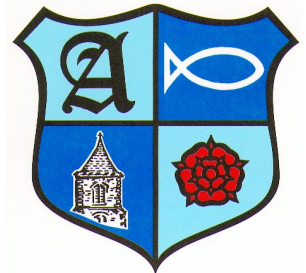

Year 5 Year 5 are budding engineers - we have built some amazing model bridges out of wood with pulleys and hinges; now we are working on cars with as little friction as possible. We have also been learning how to create a Greek salad and design Greek statues. Everything is Greek to us!

Year 6 Year 6 thoroughly enjoyed their final Nugent Care Day this week. Their stalls were creative and different and included hair spray, crocheted chicks, ice cream and magic tricks! We were blown away by their enterprise! Class 14 also enjoyed a locomotive themed day creating trains and driving them in the media suite - Class 13 will be doing it next week.

PTA News

Summer 'Festival on the Field' 2024

Dear Parents and Carers,

On Friday 5th July between 1:30-3:30pm we will be holding a Summer 'Festival on the Field' for all children.

The festival will be a none cash event so we ask that everyone attending buys a ticket online for £5 to cover all activities.

Tickets include an ice cream from an ice cream van, face painting, craft activities, entry into a prize raffle, entry into 'name the teddy' and guaranteed prizes from various stalls including Hook a Duck, Prize pong, penalty shoot out, Coconut shy, Axe throwing, Tin can alley and more!!

Tickets go on sale: FRIDAY 21st JUNE

BOOK HERE: <http://pta-events.co.uk/stannesormskirk>

£5 per child

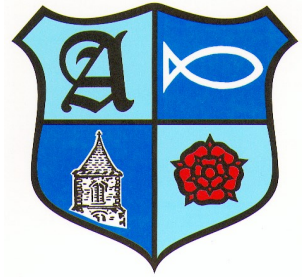

The PTA use this website for many of our events. If you've not used this platform before; you'll need to register; it only takes a few minutes.

We hope the children have a wonderful time!

Thank you for your on-going support
