Giggle Tots

'We are Scientists'

The 'We are Scientists' theme is about ...

Spring, Life Cycles and Growth

Communication & Language

We will continue to understand a simple question or instruction.

We will continue to listen to stories and understand what is happening.

We continue to develop our pretend play.

We will learn new songs and rhymes.

Physical Development

We will continue to use our large muscle movements to wave flags, streamers and to paint and make marks.

We will continue to eat independently.

We will continue to develop our manipulation and control skills.

We will continue to explore different materials and tools.

Personal, Social and Emotional Development

We will continue to develop friendships with other children

We will continue to select activities and resources, with help when needed.

We will continue to explore our emotions through stories and play.

We will continue to become more independent.

We will continue to become more confident in new social situations.

Maths

We will continue to recite numbers past 5 and begin to show finger numbers up to 5.

We will continue to say one number name for each item.

We will begin to explore different shapes.

We will continue to use math language to describe sizes

Understanding the World

We will continue to explore and respond to the different objects we see outdoors.

We will talk about what we see using new vocabulary,

Expressive Arts & Design

We will continue to take part in action songs and rhymes.

We will continue to develop our pretend play

We will continue to give meanings to our marks as we draw freely.

We will manipulate and play with different sensory materials.
