St Anne's PTA is a charity run by parent and guardian volunteers. As a parent of a child at St Anne's Primary School you are automatically a member of the PTA and as such you can attend meetings, vote on proposals and make suggestions for spending or raising funds. We welcome new committee members and fresh ideas, we value your views so please try and attend the meetings if you can.

The current PTA has evolved over the past 18 months with 11 current committee members. The PTA has raised over £25,000 since 2013 all of which has gone back into the school to enrich our children's learning. This has included investment in our IT suite and school playground equipment, providing a defibrillator for the school, supporting the school council with projects and fundraising ventures while providing extra fun activities for our children enhancing their overall experience of school life.

Any support that parents and guardians can offer is always appreciated whether that is in the form of your time or financial donation. We truly cannot run events without your continued support. We are looking forward the programme of events for this year, it's always wonderful to see our children enjoying the facilities and events we are able to provide.

Thank you for your continuing support and encouragement!
