St Anne's PTA is a registered charity run by parent and guardian volunteers. All parents / guardians of children at St Anne's Primary School are automatic members of the PTA, and as such you can attend meetings, vote on proposals and make suggestions for spending or raising funds. We welcome new committee members and fresh ideas, and we value your views, so please try and attend the meetings if you can, or get in touch with us at any time.

The current PTA has evolved over the past 2 years, and currently has 8 committee members. However, the Committee relies on additional volunteers to support fundraising events and activities for the children.

Since 2013, the PTA has raised over £30,000, all of which has gone back into the school to enrich our children's learning. This has included investment in our IT suite and school playground equipment; providing two defibrillators for the school; and supporting the School Council with projects and fundraising ventures; whilst also providing extra fun activities for our children; enhancing their overall experience of school life.

Any support that parents and guardians can offer is always appreciated, whether that is in the form of volunteer time, attendance at fundraising events, or through donations. We truly cannot run events without your continued support.

Although our fundraising activities will be limited this year due to Covid-19 restrictions, we look forward to continued fundraising through [Our School Lottery](#);

[Easyfundraising](#); PTA supported adult pilates classes; and sales of high-quality, pre-loved school uniform.

We do hope to be able to run a few fun activities for the children throughout the year and to support wherever we can to enhance their wellbeing and enjoyment of school, particularly while we all adjust to ‘the new normal’ throughout the current pandemic crisis.
