SEND Coffee Mornings

What are SEND coffee mornings?

Our SEND coffee mornings are a safe space for parents, guardians and families to come and talk, seek help, advice or share any of the afore mentioned over a cup of tea and refreshments. On the last Thursday of the month (or closest to if this date is within the school holidays) we host a coffee morning **9am-10am in the KS1 staffroom**. Each month we will discuss a different aspect of SEND, the focus for each month is highlighted below. After this section, there is opportunity for you to ask for advise and support from us at school or other parents.

The coffee morning is run by our SENCO Miss Banks and she is supported by members of our learning support team, Mrs Dunn and Mrs Philipson.

The purpose of these sessions are to support you and your child. Your child does not need to be on our school SEN register or have a diagnosis for you to attend. These morning are open to all parents.
