Autumn

Nursery

We were very excited to have a visit from our local firefighters. We sent them pictures of ourselves engaging in our own Firefighter training course! We had to navigate the obstacle course making decisions on how we could safely move on the equipment just like firefighters do.

Reception

In Reception we made some beautiful Christmas Cards and thankyou notes for people in our local hospital and people who help us in our community.

Year 1

In Year 1 we led on a whole school Shoebox Appeal. We created Christmas packages for children less fortunate than ourselves. We helped load up the truck with all the shoe boxes to be delivered around the world.

Year 2

In year 2, we gifted advent candles we made to the church to decorate and to hand out in church.

Year 3

- The Eco Warriors took the Year Three children every week of the Autumn term onto the school grounds to pick up litter.

Year 4

As part of our Design Technology topic, the children planned and made stew that members of the school community and future new families tasted during our 'Open Afternoon'.

Year 5

Classes 11 and 12 visited Brookside Old People's Home to perform ancient and modern Christmas Carols on Friday 6th December. Pupils then stayed and mingled with the residents to talk about Christmas's gone by— a good time was had by all.

Year 6 helped deliver
the whole school
food donations to
the food bank.

Year 6

Year 6 helped collect the food for the
Nugent Care Christmas Pantry food
bank collection.

Spring

A close-up photograph of light pink or white flowers with yellow centers, set against a soft, out-of-focus background of green leaves and more flowers. The overall tone is gentle and fresh, typical of a spring-themed image.

An aerial photograph of a beach. The top left corner shows the ocean with clear turquoise water and white foam from a wave washing onto the shore. The foam creates a textured, bubbly pattern as it meets the sand. The sand is a warm, golden-brown color and occupies the right and bottom portions of the frame. The overall composition is diagonal, with the shoreline running from the top left towards the bottom right.
