

St. Anne's Catholic Primary School

Year 3 Medium Term Plan 'We are Explorers'

RE

RE

Journeys

The children will explore and learn about our Christian family's journey with Jesus through the Church's year.

Listening and Sharing

During this topic the children will be listening and sharing with one another as well as listening to the word of God and the importance of Holy Communion.

English

Non Chronological Reports

The children will work towards creating their own non chronological report based around the Romans after focusing on the book 'What the Romans did for us.'

Diaries

Children will be identifying the different features of a diary and will write their own entries using 'Rosie Revere, Engineer!'

Maths

Place Value

Identify the value of each digit to one decimal place.

Addition & Subtraction

Solving problems with one decimal place.

Multiplication and Division

Recall and use multiplication and division facts for the 4 and 8 times tables.

Fractions

Ordering unit fraction and equivalent fractions.

Capacity

Measure, compare, add and subtract volume.

Driver Subject

Romans

The children will be learning all about the Roman Empire, its success and failures.

They will also study the Romans significant impact on Britain and the significant leadership of Boudica against the Roman invasion.

This will allow the children to discuss historical events issues connections and changes.

Science

STEM

Scientific Enquiry—Fair and comparative testing and Questioning will be done through the children's STEM work.

Scientific Enquiry

Art & Design/ Design Technology

Mosaics

Children will begin to understand the historical and cultural significance of a chosen art form. This term they will be creating their own Roman mosaic based on Roman life.

They will use a sketch book to collect and store their ideas to then adapt their work as they develop, and discuss this with those around them.

Computing

Digital Literacy—Online safety

Through computing children will understand the importance of reporting any concerns they have using the internet and other communication technologies, and know some ways in which they can do it.

They will develop an understanding of what is acceptable and unacceptable online behaviour.

Also realising that not all information on the internet is trustworthy and there is a need to verify its reliability.

RSE

Social

How I keep myself safe.

How I help others to make friends.

How I take care of others.

Emotional

How I feel when a friend is not there.

How I can be a supportive friend.

Geography

Fieldwork

This term the children will develop their Geographical skills and field work.

They will do this by observing, recording, and naming geographical features in their local environment of school and the wider community of Ormskirk.

PE

Target Games

Play competitive games, and apply the basic principles suitable for attacking and defending target games.

Music

Play and Perform

The children will play and perform in solo and ensemble groups using a glockenspiel .

Using increased control and rhythmic accuracy, responding through gestures or movement to changes in the speed of the beat.

Collaborative Learning

The children will enjoy a celebration of all things Roman during Roman Day which will take place on
