PLANNED APPROACH TO SPENDING THE COVID CATCH UP PREMIUM

Question 1	How is it expected that the grant will be spent?
Planned expenditure of the Covid-19 premium will enable additional provision for all children. This will be through a variety of staffing interventions, curriculum resources and wider school opportunities.	
Question 2	How the effect of this expenditure on the educational attainment of those pupils at the school will be assessed?
The attainment of children will be analysed through ongoing assessment in-line with the school's assessment policy. Provision mapping based on assessment outcomes will inform further planned interventions and opportunities.	

The following sections will be planned for and evaluated through the academic year. This is a working document.
