

'Loving God in all we do'

St Anne's School Prayer

Loving Father,
Bless our school,
Bless our teachers and our friends.
May we work and play together;
Always glad to help each other.
May we live and grow together,
Happy in your loving care.
Amen

St Anne's Catholic Primary School

Mission Statement

'Loving God In All We Do'

- St Anne's is a Catholic Primary school in Ormskirk, serving the parishes of St Mary's, Aughton and St Anne's, Ormskirk.
- We believe that the ethos of the school must, in all its spiritual, moral and cultural aspects, reflect the teaching of Christ, in accordance with the rites, practices and teaching of the Catholic Church.
- Aim: Our aim is to provide a high-quality Christian Education based upon the teaching of Christ through the Gospel message, recognising the uniqueness of each member of our school, enabling every person to develop his or her gifts and talents to the full.

St Anne's Catholic Primary School

- Our Mission Statement underpins everything we do.
- St Anne's is a place of love and learning. We are all equal in the eyes of God and we aim to live our 'Faith in Action' by:
 - Being kind to others,
 - Having consideration for each other,
 - Treating each other with respect,
 - Comforting each other,
 - Trusting each other,
 - Not being judgemental.

St Anne's Catholic Primary School

- We all have an essential part to play in ensuring all children thrive at St Anne's.
 - Dinnertime care and support is essential for afternoon lessons.
 - Excellent school grounds and internal buildings are essential for sense of pride and belonging, along with a relentless focus on providing excellent learning facilities.
 - School Caretaker and School Office Manager key people in school.
 - The welcome in a morning and the goodbye at the end of the day – essential for all children and adults.
 - All children and adults are valued and cared for to the best of our ability.
- 

Data analysis and standards

Early Years Foundation Stage

70% of our children achieved the expected standard in 2023

2022 – National Data- 65% of children achieved the expected standard.

Data analysis and standards

- Year 1 phonics screening
- 2023 – 92% of children achieved the expected standard.
- 2022 – National Data- 75% of children achieved the expected standard.

Key Stage 1 SATS

	St Anne's - 2023	Lancashire 2022	National 2022
Reading	79%	64%	67%
Writing	71%	55%	58%
Mathematics	79%	65%	68%

Year 4 times tables screening

	20+ marks out of 25	25 out of 25
2022/2023	70%	32%

Key Stage 2 SATS

	St Annes' Expected Standard or above	National Expected standard or above		St Anne's Higher Standard	National Higher standard
Reading	87%	73%		27%	29%
Writing	84%	71%		26%	13%
Maths	89%	73%		23%	24%
Combined	79%	59%		9%	8%
GPS	89%	72%		33%	30%

What does the data tell us?

- All children at St Anne's are achieving very well. Outcomes across all age phases are very pleasing.
- The school curriculum provides the platform to prepare children for the next phase of their education.
- All expected standards are above national averages across all comparable data points.
- Teaching and learning in all classes is to a high standard.

Attendance and Punctuality

- Highlight the importance of attending school everyday.
- Highlight the importance of arriving at school on time and ready to learn.
- Classroom doors open at 8.45am with children completing work prior to registration at 8.55am. Lessons begin at 9.00am.
- School attendance continues to be a key focus this year. Mrs Cleary, Deputy Headteacher will lead on this area.

Attendance and Punctuality

- Very difficult for a teacher to solve a query from a parent between 8.45am and 8.55am when welcoming all the children into class.
- Please ask at the school office or email the school office if you need a question answering. We always try to reply as soon as possible.
- All emails must be directed to the school office email address and not to individual teachers' emails.
- Parents and teachers work together with the children's best interests in mind.

Haircuts and earrings

- St Anne's uniform policy – School website
- Uniform shop – No shoes or coats please. No more donations until further notice.
- Earrings – one small stud. Wherever possible, children should remove earrings when participating in PE lessons. Best to not wear earrings when wearing PE kits!
- Haircuts - All hairstyles must smart and natural in colour. No lines or signs are to be shaved into the hair.

Social Media

- Twitter – We are in the process of evaluating how we currently use Twitter (X) and how we progress with communicating celebrations throughout school.
- WhatsApp – useful communications for parents but please remember that speaking to the school directly is always the best approach.
- School Website – the window into school. Statutory information along with useful hyperlinks to different platforms.

Gospel Reflection

Jesus said, 'Listen carefully...when two or three of you meet and gather together because of me, I will be there with you.' Matthew 18 - 15:20

St Anne's Digital Classroom

Dear children, parents and carers,

We continue to develop St Anne's excellent learning opportunities during the school day and recognise the essential role digital applications have in supporting and challenging children in their learning. We have invested considerable finances and staff training into developing teachers' knowledge and understanding of how digital platforms can be used to consolidate prior learning and also used to enhance further learning opportunities. The use of artificial intelligence to develop individual learning opportunities supports a digitally smart approach to teaching and learning.

St Anne's digital classroom will provide access to the range of platforms we currently use to support teaching and learning collaboratively between the brick wall classroom and the digital classroom.

Education is the best approach to help our children learn how to enjoy using technology in a safe and rewarding environment. There is a dedicated page for our children and families to learn about online safety. This information is provided from the National Online Safety Hub.

The school's remote education provision was presented to families through the blended learning policy. This policy was produced at the time of National Lockdown and would be amended as appropriate, in light of the need for future remote educational provision.

Please click on the learning platforms on the left hand side for more information as to how the digital classroom can help your child learn.

Thank you for attending this evening and your continued support.

- Open Afternoon – Friday 13th October 1.45pm to 3.15pm.
 - All parents and grandparents are invited to attend and visit classrooms to see their children learn.
 - Teachers will now show you to your child's classroom. Year 2 in the Studio building.
-
