

TRANSITION TO SCHOOL

Supporting your child in their
transition to school journey

June 2025

Welcome to St Anne's Catholic Primary School, we are so pleased that you have chosen to become part of our school family.

Your child's journey to starting school starts now. We know how scary and different this whole process is for you and your child, but we hope that we can help ease the fears and make this transition into school as smooth as possible.

June and July 2025 - Pre School/Nursery visits

Your new class teacher will visit your child in their Pre-School/Nursery setting.

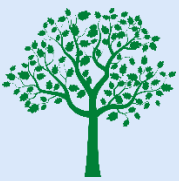

We will endeavour to visit your child in their pre-school. Your child will receive an 'All About Me' document to complete at home and bring along to their first taster transition session or first day of school.

We will speak to their Nursery Key Worker to find out some important information about your child as well as meeting them and introducing ourselves in their safe and familiar setting.

Parents' Information Meeting- Monday 23rd June 2025

Taster Transition sessions

We know how important it is to start to build those relationships with your child and ensure they feel safe to explore their new environment ready for September.

Please book on to a session using the Booking form sent to your email.
